

Dear Business Owner/Manager,

I am a student of the Oregon Conservatory of Performing Arts (OCPA). Its Magic of Theatre summer camp program provides students like me the opportunity to receive the many benefits of an arts education, including the values of teamwork, the development of communication skills and self-esteem, and the thrill of performing for our family, our friends, and the community.

Because of the lack of school funding, our community is inundated with fundraisers from school groups, sports teams, and arts organizations. We therefore have less-than-favorable conditions in which to raise funds. This is why we turn to businesses like yours for sponsorship and support.

We all know that active and involved students are successful students! Your tax-deductible donation will help keep performance-based educational opportunities available to Rogue Valley youth.

Thank you for your time and support!
