The 2009 Magic of Theatre summer program is produced by the Board of Directors of the

Oregon Conservatory of Performing Arts, a nonprofit theatre school for Rogue Valley youth.

Thank you for your support of OCPA in its mission to empower and nurture youth of every cultural heritage, ability, and level of interest through education and performance in the theatre arts. We believe that all young people should have the opportunity to experience the theatre arts- that a complete education involves knowledge of the arts and participation in them. We teach the process of theatre, helping kids develop self-esteem and communication skills through creativity and teamwork.

## From the Director

This summer has cemented something for me. I have come to the conclusion that the thing I love the most about working with children during this camp is their willingness to "put it out there" when performing. Children are often quite nervous during the first day or so of camp (myself, included) but warm up quickly. Ultimately, when their boundless energy is released on stage, there is nothing better. Working with the cast of 50 has been a daunting task but with the help of Mrs. Katzmar and our teen helpers, there is no doubt that *Treasure Island* will be a great success. Thanks to our wonderful costumers and set designer who dedicated their expertise to our growing list of staff for this camp. And, we cannot forget our stage manager, Laura. Each season she holds things together and does a whole lot of everything. I'd like to thank parents and friends of OCPA, for their continued support of the arts in our community. We know how essential art is in our lives and the lives of our children. Let's continue to share the message. Bravo, *Treasure Island* casts!

~ Andrew Brock
