

## Our Mission

The mission of the Oregon Conservatory of Performing Arts is to empower and nurture youth of every cultural heritage, ability and level of interest through education and performance in the theatre arts.

## Our Vision

Students will be treated with the respect, professionalism, and courtesy needed to bolster confidence for enhancing life skills through an educational and culturally relevant theatrical experience

## Our Values

We believe that all young people should have the opportunity to experience the theatre arts-that a complete education involves knowledge of the arts and participation in them. We teach the process of theatre, helping kids develop self-esteem and communication skills through creativity and teamwork.

"A How-To Musical Guide to the Most Daring, Dangerous, Exciting Time...Like...Ever! A massive electromagnetic attack from outer space has jammed all technical systems, and there is no electricity, no cell phones, no laptops - NO FUN! The kids are in a panic and don't know what to do, until Grandpa and Grandma arrive on the scene and introduce them to a day filled with daring and adventure music and imagination-all without fancy gadgets!"

# Director's Notes

Another successful summer season is almost over! A Kids' Life presents a style that demands extra work: It is virtually all music from beginning to end with little dialogue. The students have worked so hard on the dance moves and harmony. It has been tiring at times but they have persevered and I am proud of every one of them. I am amazed at the number of families who have shown interest in OCPA this summer. Every morning I see a number of new parents dropping off their kids at camp and mean to introduce myself. I am excited that OCPA is expanding and welcome any input that parents may have that would help us to move in this direction. My wish, and OCPA's for upcoming years would include a larger and newer facility especially with air-conditioning. Ha! Parents and friends of OCPA wishing to help us pursue this dream would be greatly appreciated.

Regardless, I am flattered to be asked to work with such an awesome staff especially our delightful and dedicated Music Director, Marcia Katzmar. It is amazing how she sets such a high standard of excellence and lovingly motivates every student to make the grade. Thanks to our amazingly talented Stage Manager, Laura Rogers, who takes care of so many details. Last but not least, a shout-out to the special Dewar sisters, Christina and Tori, and Marcia's daughter, Gracie, whose upbeat attitude and love for theatre leave a lasting impression on future actors. And to Jeff: Can't wait until next summer. Keep on keeping on!

Bravo, Cast!

Respectfully,

Andrew Brock, Director/Choreographer
