Our Mission

The mission of the Oregon Conservatory of Performing Arts is to keep the performing arts alive and within reach of everyone in our community.

Our Values

We believe that all young people should have the opportunity to experience the theatre arts — that a complete education involves knowledge of the arts and participation in them. We teach the process of theatre, helping kids develop self-esteem and communication skills through creativity and teamwork.

Directors' Notes

The adventure began with tumbling, fight choreography, singing and Maypole dancing. We moved into the art of fencing with help from Kate Hurster who plays Marian in the OSF production of *Robin Hood*. We studied how the men and ladies move, sit and walk in this time period, so different from our own. And when all was said and done we had fun in the forest — we laughed as we joined with our comrades Andrea, Tori, Marje, Laura and Jeff in the making of *Hi Ho, Robin Hood*.

Parents, thank you so much for lending your children for three great weeks of frivolity and jollity. Hi Ho to the wonderful cast; you grew so much as performers and made it all the more merry!

Directors,
Don and Patsy Meeker
